

Be part of something special

Your regular gift for the Dales

YORKSHIRE DALES
MILLENNIUM TRUST

Do you love the Yorkshire Dales?

For as little as £3 per month you can make a remarkable difference to this special place.

A regular donation to Yorkshire Dales Millennium Trust is a practical way to invest in the future of the Yorkshire Dales, helping us to make sure it stays special for our children and grandchildren to enjoy.

By joining our regular giving programme your contribution will help to:

Conserve and restore important landscapes, habitats and wildlife by planting native broadleaf woodlands, restoring species-rich hay meadows and enhancing our wetlands.

Respond to changing needs in the Yorkshire Dales with innovative new projects, like our life-changing rural apprenticeship scheme and community grant programme.

Inspire and educate communities to help people understand and value the area, and help make the Yorkshire Dales accessible to all.

Be part of our future

All regular donations, no matter how large or small, are extremely important to the future of the Yorkshire Dales. They give us the ability to plan ahead and adapt our work to the changing needs of this special landscape and the communities within it.

£5 can help fund seed collection and wildflower propagation, to restore important habitats for bumblebees and other pollinators.

£10 could help disadvantaged groups to experience the health benefits of spending time in the countryside through a day visit to the Dales.

£20 could pay for a child to visit a farm and learn about the environment and where our food comes from.

You can make a huge difference in the Dales by giving a regular donation.
